

Fall Training Schedule 2015 Thomas Memphis, TN 38134

Oct. 27– Multifamily Heating Service

5:00 p.m.—8:00 p.m. \$20

This class focuses on heating system analysis and service by those in multifamily housing maintenance. The class is open to anyone involved in heating service. Topics include: Gas Heat / Electric Heat, principals of operation, service, troubleshooting, maintenance and safety.

Nov. 3—Tempstar's New Furnace

1:00 p.m.—5:00 p.m. Free

This class will introduce Tempstar's new line of 80%–90%+ gas furnaces. These furnaces have smaller cabinets packed full of features you and your customers wants and needs. This class will be an overview of the product line, with sections covering advanced blowers and our new 97% modulating furnace, as well as the new communication controls.

TEMPSTAR[®]
Heating and Cooling Products

Nov. 17—Aprilaire Indoor Air Quality Products

5:00 p.m.—8:00 p.m. Free

This class will be conducted by a representative from Aprilaire. Come learn about the latest and greatest in IAQ products: Air cleaners, humidifiers and ERV's.

Aprilaire[®]
Fresh Ideas for Indoor Air

Nov. 29—Carbon Monoxide: The Silent Killer

5:00 p.m.—8:00 p.m. \$30

This time of year the news is full of reports on this "silent killer". Come to this meeting and get the facts, as well as some resources for learning more about Carbon monoxide. Find out how to help protect and inform your customers and yourself. This class qualifies for NATE Continuing Education Hours.

Dec. 13—EWC Zoning

5:00 p.m.—8:00 p.m. Free

This class will be conducted by Trey Miller from EWC. EWC offers quality, reliable zoning options to solve your customer's comfort issues. Come and learn about zoning: options, installation and service from the experts.
